Grant Budget line-item revisions may not be made without prior, written approval of the State in which the terms of the approved revisions are explicitly set forth. Any such approval shall be superseded by a subsequent revision of the Grant Budget by contract amendment, and any increase in the total Grant amount shall require a contract amendment.

The State will not deem any Grantee costs submitted for reimbursement after the final invoice to be allowable and reimbursable by the State, and such invoices will NOT be paid.
 - c. The Grantee's failure to provide a final grant disbursement reconciliation report to the state as required shall result in the Grantee being deemed ineligible for reimbursement under this Grant Contract, and the Grantee shall be required to refund any and all payments by the state pursuant to this Grant Contract.
 - d. The Grantee must close out its accounting records at the end of the grant period in such a way that reimbursable expenditures and revenue collections are NOT carried forward.
- C.8. Indirect Cost. The Grantee will be reimbursed for indirect cost in accordance with the approved indirect cost rate to amounts and limitations specified in the attached Grant Budget. Once the Grantee makes an election and treats a given cost as direct or indirect, it must apply that treatment consistently and may not change during the grant period. Any changes in the approved indirect cost rate must have prior approval of the cognizant federal agency and the State. If the indirect cost rate is provisional during the term of this agreement, once the rate becomes final, the Grantee agrees to remit any overpayment of funds to the State, and subject to the availability of funds the State agrees to remit any underpayment to the Grantee.
- C.9. Cost Allocation. If any part of the costs to be reimbursed under this Grant Contract are joint costs involving allocation to more than one program or activity, such costs shall be allocated and reported in accordance with the provisions of Department of Finance and Administration Policy Statement 03 or any amendments or revisions made to this policy statement during the Grant Contract period.
- C.10. Payment of Invoice. The payment of the invoice by the State shall not prejudice the State's right to object to or question any invoice or matter in relation thereto. Such payment by the State shall neither be construed as acceptance of any part of the work or service provided nor as an approval of any of the costs invoiced therein.
- C.11. Unallowable Costs. The Grantee's invoice shall be subject to reduction for amounts included in any invoice or payment theretofore made which are determined by the State, on the basis of audits or monitoring conducted in accordance with the terms of this Grant Contract, not to constitute allowable costs.
- C.12. Deductions. The State reserves the right to deduct from amounts which are or shall become due and payable to the Grantee under this or any Contract between the Grantee and the State of Tennessee any amounts which are or shall become due and payable to the State of Tennessee by the Grantee.
- C.13. Automatic Deposits. The Grantee shall complete and sign an "Authorization Agreement for Automatic Deposit (ACH Credits) Form." This form shall be provided to the Grantee by the State. Once this form has been completed and submitted to the State by the Grantee all payments to the Grantee, under this or any other contract the Grantee has with the State of Tennessee shall be made by Automated Clearing House (ACH). The Grantee shall not invoice the State for services until the Grantee has completed this form and submitted it to the State.

- D.1. Required Approvals. The State is not bound by this Grant Contract until it is approved by the appropriate State officials in accordance with applicable Tennessee State laws and regulations.

- D.2. Modification and Amendment. This Grant Contract may be modified only by a written amendment executed by all parties hereto and approved by the appropriate Tennessee State officials in accordance with applicable Tennessee State laws and regulations.
- D.3. Termination for Convenience. The State may terminate this Grant Contract without cause for any reason. Said termination shall not be deemed a Breach of Contract by the State. The State shall give the Grantee at least thirty (30) days written notice before the effective termination date. The Grantee shall be entitled to compensation for authorized expenditures and satisfactory services completed as of the termination date, but in no event shall the State be liable to the Grantee for compensation for any service which has not been rendered. The final decision as to the amount, for which the State is liable, shall be determined by the State. Should the State exercise this provision, the Grantee shall not have any right to any actual general, special, incidental, consequential, or any other damages whatsoever of any description or amount.
- D.4. Termination for Cause. If the Grantee fails to properly perform its obligations under this Grant Contract in a timely or proper manner, or if the Grantee violates any terms of this Grant Contract, the State shall have the right to immediately terminate the Grant Contract and withhold payments in excess of fair compensation for completed services. Notwithstanding the above, the Grantee shall not be relieved of liability to the State for damages sustained by virtue of any breach of this Grant Contract by the Grantee.
- D.5. Subcontracting. The Grantee shall not assign this Grant Contract or enter into a subcontract for any of the services performed under this Grant Contract without obtaining the prior written approval of the State. If such subcontracts are approved by the State, they shall contain, at a minimum, sections of this Grant Contract below pertaining to "Conflicts of Interest," "Lobbying," "Nondiscrimination," "Public Accountability," "Public Notice," and "Records" (as identified by the section headings). Notwithstanding any use of approved subcontractors, the Grantee shall be the prime contractor and shall be responsible for all work performed.
- D.6. Conflicts of Interest. The Grantee warrants that no part of the total Grant Amount shall be paid directly or indirectly to an employee or official of the State of Tennessee as wages, compensation, or gifts in exchange for acting as an officer, agent, employee, subcontractor, or consultant to the Grantee in connection with any work contemplated or performed relative to this Grant Contract.
- D.7. Lobbying. The Grantee certifies, to the best of its knowledge and belief, that:
- a. No federally appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.
 - b. If any funds other than federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this contract, grant, loan, or cooperative agreement, the Grantee shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
 - c. The Grantee shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into and is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, *U.S. Code*.

- D.8. Nondiscrimination. The Grantee hereby agrees, warrants, and assures that no person shall be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of this Grant Contract or in the employment practices of the Grantee on the grounds of disability, age, race, color, religion, sex, national origin, or any other classification protected by Federal, Tennessee State constitutional, or statutory law. The Grantee shall, upon request, show proof of such nondiscrimination and shall post in conspicuous places, available to all employees and applicants, notices of nondiscrimination.
- D.9. Public Accountability. If the Grantee is subject to *Tennessee Code Annotated*, Title 8, Chapter 4, Part 4 or if this Grant Contract involves the provision of services to citizens by the Grantee on behalf of the State, the Grantee agrees to establish a system through which recipients of services may present grievances about the operation of the service program, and the Grantee shall display in a prominent place, located near the passageway through which the public enters in order to receive Grant supported services, a sign at least twelve inches (12") in height and eighteen inches (18") in width stating:

NOTICE: THIS AGENCY IS A RECIPIENT OF TAXPAYER FUNDING. IF YOU OBSERVE AN AGENCY DIRECTOR OR EMPLOYEE ENGAGING IN ANY ACTIVITY WHICH YOU CONSIDER TO BE ILLEGAL, IMPROPER, OR WASTEFUL, PLEASE CALL THE STATE COMPTROLLER'S TOLL-FREE HOTLINE: 1-800-232-5454

- D.10. Public Notice. All notices, informational pamphlets, press releases, research reports, signs, and similar public notices prepared and released by the Grantee shall include the statement, "This project is funded under an agreement with the Department of Finance and Administration, Office of Criminal Justice Programs." Any such notices by the Grantee shall be approved by the State.
- D.11. Licensure. The Grantee and its employees and all sub-grantees shall be licensed pursuant to all applicable federal, state, and local laws, ordinances, rules, and regulations and shall upon request provide proof of all licenses.
- D.12. Records. The Grantee (and any approved subcontractor) shall maintain documentation for all charges under this Contract. The books, records, and documents of the Grantee (and any approved subcontractor), insofar as they relate to work performed or money received under this Contract, shall be maintained for a period of three (3) full years from the date of the final payment and shall be subject to audit at any reasonable time and upon reasonable notice by the state agency, the Comptroller of the Treasury, or their duly appointed representatives. The records of not-for-profit entities shall be maintained in accordance with the *Accounting Manual for the Recipients of Grant Funds in the State of Tennessee*, published by the Tennessee Comptroller of the Treasury (available at <http://comptroller.state.tn.us/ma/nonprofit/nonprofit1.pdf>). The financial statements shall be prepared in accordance with generally accepted accounting principles.
- D.13. Prevailing Wage Rates. All grants and contracts for construction, erection, or demolition or to install goods or materials that involve the expenditure of any funds derived from the State require compliance with the prevailing wage laws as provided in *Tennessee Code Annotated*, Section 12-4-401 *et seq.*
- D.14. Monitoring. The Grantee's activities conducted and records maintained pursuant to this Grant Contract shall be subject to monitoring and evaluation by the State, the Comptroller of the Treasury, or their duly appointed representatives.
- D.15. Progress Reports. The Grantee shall submit brief, periodic, progress reports to the State as requested.

D.16. Annual Report and Audit. The Grantee shall prepare and submit, within nine (9) months after the close of the reporting period, an annual report of its activities funded under this Grant Contract to the commissioner or head of the Granting agency, the Tennessee Comptroller of the Treasury, and the Commissioner of Finance and Administration. The annual report for any Grantee that receives five hundred thousand dollars (\$500,000) or more in aggregate federal and state funding for all its programs shall include audited financial statements. All books of account and financial records shall be subject to annual audit by the Tennessee Comptroller of the Treasury or the Comptroller's duly appointed representative. When an audit is required, the Grantee may, with the prior approval of the Comptroller, engage a licensed independent public accountant to perform the audit. The audit contract between the Grantee and the licensed independent public accountant shall be on a contract form prescribed by the Tennessee Comptroller of the Treasury. Any such audit shall be performed in accordance with generally accepted government auditing standards, the provisions of OMB Circular A-133, if applicable, and the *Audit Manual for Governmental Units and Recipients of Grant Funds* published by the Tennessee Comptroller of the Treasury. The Grantee shall be responsible for reimbursement of the cost of the audit prepared by the Tennessee Comptroller of the Treasury, and payment of fees for the audit prepared by the licensed independent public accountant. Payment of the audit fees of the licensed independent public accountant by the Grantee shall be subject to the provisions relating to such fees contained in the prescribed contract form noted above. Copies of such audits shall be provided to the designated cognizant state agency, the State Granting Department, the Tennessee Comptroller of the Treasury, and the Department of Finance and Administration and shall be made available to the public.

D.17. Procurement. If the other terms of this Grant Contract allow reimbursement for the cost of goods, materials, supplies, equipment, and/or contracted services, such procurement shall be made on a competitive basis, including the use of competitive bidding procedures, where practical. The Grantee shall maintain documentation for the basis of each procurement for which reimbursement is paid pursuant to this Grant Contract. In each instance where it is determined that use of a competitive procurement method was not practical, said documentation shall include a written justification for such decision and non-competitive procurement. Further, if such reimbursement is to be made with funds derived wholly or partially from federal sources, the determination of cost shall be governed by and reimbursement shall be subject to the Grantee's compliance with applicable federal procurement requirements.

The Grantee shall obtain prior approval from the State before purchasing any equipment under this Grant Contract.

D.18. Strict Performance. Failure by any party to this Grant Contract to insist in any one or more cases upon the strict performance of any of the terms, covenants, conditions, or provisions of this agreement shall not be construed as a waiver or relinquishment of any such term, covenant, condition, or provision. No term or condition of this Grant Contract shall be held to be waived, modified, or deleted except by a written amendment signed by the parties hereto.

D.19. Independent Contractor. The parties hereto, in the performance of this Grant Contract, shall not act as employees, partners, joint venturers, or associates of one another. It is expressly acknowledged by the parties hereto that such parties are independent contracting entities and that nothing in this Grant Contract shall be construed to create a principal/agent relationship or to allow either to exercise control or direction over the manner or method by which the other transacts its business affairs or provides its usual services. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever.

The Grantee, being a political subdivision of the State, is governed by the provisions of the Tennessee Government Tort Liability Act, *Tennessee Code Annotated*, Sections 29-20-101 *et seq.*, for causes of action sounding in tort. Further, no contract provision requiring a Tennessee political entity to indemnify or hold harmless the State beyond the liability imposed by law is enforceable because it appropriates public money and nullifies governmental immunity without the authorization of the General Assembly.

- D.20. State Liability. The State shall have no liability except as specifically provided in this Grant Contract.
- D.21. Force Majeure. The obligations of the parties to this Grant Contract are subject to prevention by causes beyond the parties' control that could not be avoided by the exercise of due care including, but not limited to, natural disasters, riots, wars, epidemics, or any other similar cause.
- D.22. State and Federal Compliance. The Grantee shall comply with all applicable state and federal laws and regulations in the performance of this Grant Contract.
- D.23. Governing Law. This Grant Contract shall be governed by and construed in accordance with the laws of the State of Tennessee. The Grantee agrees that it will be subject to the exclusive jurisdiction of the courts of the State of Tennessee in actions that may arise under this Grant Contract. The Grantee acknowledges and agrees that any rights or claims against the State of Tennessee or its employees hereunder, and any remedies arising therefrom, shall be subject to and limited to those rights and remedies, if any, available under *Tennessee Code Annotated*, Sections 9-8-101 through 9-8-407.
- D.24. Completeness. This Grant Contract is complete and contains the entire understanding between the parties relating to the subject matter contained herein, including all the terms and conditions of the parties' agreement. This Grant Contract supersedes any and all prior understandings, representations, negotiations, and agreements between the parties relating hereto, whether written or oral.
- D.25. Severability. If any terms and conditions of this Grant Contract are held to be invalid or unenforceable as a matter of law, the other terms and conditions hereof shall not be affected thereby and shall remain in full force and effect. To this end, the terms and conditions of this Grant Contract are declared severable.
- D.26. Headings. Section headings are for reference purposes only and shall not be construed as part of this Grant Contract.

E. SPECIAL TERMS AND CONDITIONS:

- E.1. Conflicting Terms and Conditions. Should any of these special terms and conditions conflict with any other terms and conditions of this Grant Contract, these special terms and conditions shall control.
- E.2. Communications and Contacts. Any such communications, regardless of method of transmission, shall be addressed to the respective party at the appropriate mailing address, facsimile number, or EMAIL address as set forth below or to that of such other party or address, as may be hereafter specified by written notice.

All instructions, notices, consents, demands, or other communications shall be considered effectively given upon receipt or recipient confirmation as may be required.

- E.3. Subject to Funds Availability. The Grant Contract is subject to the appropriation and availability of State and/or Federal funds. In the event that the funds are not appropriated or are otherwise unavailable, the State reserves the right to terminate the Grant Contract upon written notice to the Grantee. Said termination shall not be deemed a breach of Contract by the State. Upon receipt of the written notice, the Grantee shall cease all work associated with the Grant Contract. Should such an event occur, the Grantee shall be entitled to compensation for all satisfactory and authorized services completed as of the termination date. Upon such termination, the Grantee shall have no right to recover from the State any actual, general, special, incidental, consequential, or any other damages whatsoever of any description or amount.
- E.4. Voluntary Buyout Program. The Grantee acknowledges and understands that, for a period of two years beginning August 16, 2008, restrictions are imposed on former state employees who received a State of Tennessee Voluntary Buyout Program (VBP) severance payment with regard to contracts with state agencies that participated in the VBP.
- a. The State will not contract with either a former state employee who received a VBP severance payment or an entity in which a former state employee who received a VBP severance payment or the spouse of such an individual holds a controlling financial interest.
 - b. The State may contract with an entity with which a former state employee who received a VBP severance payment is an employee or an independent contractor. Notwithstanding the foregoing, the Grantee understands and agrees that there may be unique business circumstances under which a return to work by a former state employee who received a VBP severance payment as an employee or an independent contractor of a State grantee would not be appropriate, and in such cases the State may refuse Grantee personnel. Inasmuch, it shall be the responsibility of the State to review Grantee personnel to identify any such issues.
 - c. With reference to either subsection a. or b. above, a grantee may submit a written request for a waiver of the VBP restrictions regarding a former state employee and a contract with a state agency that participated in the VBP. Any such request must be submitted to the State in the form of the *VBP Contracting Restriction Waiver Request* format available from the State and the Internet at: www.state.tn.us/finance/rds/ocr/waiver.html. The determination on such a request shall be at the sole discretion of the head of the state agency that is a Party to this Grant Contract, the Commissioner of Finance and Administration, and the Commissioner of Human Resources.
- E.5. State Interest in Equipment. The Grantee shall take legal title to all equipment and to all motor vehicles, hereinafter referred to as "equipment," purchased totally or in part with funds provided under this Grant Contract, subject to the State's equitable interest therein, to the extent of its *pro rata* share, based upon the State's contribution to the purchase price. "Equipment" shall be defined as an article of nonexpendable, tangible, personal property having a useful life of more than one year and an acquisition cost which equals or exceeds \$5,000.00.

As authorized by the provisions of the terms of the Tennessee Uniform Commercial Code —

Secured Transaction, found at Title 47, Chapter 9 of the *Tennessee Code Annotated*, and the provisions of the Tennessee Motor Vehicle Title and Registration Law, found at Title 55, Chapter 1 of the *Tennessee Code Annotated*, an intent of this Grant document and the parties hereto is to create and acknowledge a security interest in favor of the State in the equipment and/or motor vehicles acquired by the Grantee pursuant to the provisions of this Grant document. A further intent of this Grant document is to acknowledge and continue the security interest in favor of the State in the equipment or motor vehicles acquired by the Grantee pursuant to the provisions of this program's prior year Grants between the State and the Grantee.

The Grantee hereto grants the State a security interest in said equipment. This agreement is intended to be a security agreement pursuant to the Uniform Commercial Code for any of the equipment herein specified which, under applicable law, may be subject to a security interest pursuant to the Uniform Commercial Code, and the Grantee hereby grants the State a security interest in said equipment. The Grantee agrees that the State may file this Grant Contract or a reproduction thereof, in any appropriate office, as a financing statement for any of the equipment herein specified. Any reproduction of this or any other security agreement or financing statement shall be sufficient as a financing statement. In addition, the Grantee agrees to execute and deliver to the State, upon the State's request, any financing statements, as well as extensions, renewals, and amendments thereof, and reproduction of this Grant Contract in such form as the State may require to perfect a security interest with respect to said equipment. The Grantee shall pay all costs of filing such financing statements and any extensions, renewals, amendments and releases thereof, and shall pay all reasonable costs and expenses of any record searches for financing statements the State may reasonably require. Without the prior written consent of the State, the Grantee shall not create or suffer to be created pursuant to the Uniform Commercial Code any other security interest in said equipment, including replacements and additions thereto. Upon the Grantee's breach of any covenant or agreement contained in this Grant Contract, including the covenants to pay when due all sums secured by this Grant Contract, the State shall have the remedies of a secured party under the Uniform Commercial Code and, at the State's option, may also invoke the remedies herein provided.

The Grantee agrees to be responsible for the accountability, maintenance, management, and inventory of all property purchased totally or in part with funds provided under this Grant Contract. The Grantee shall maintain a perpetual inventory system for all equipment purchased with funds provided under this Grant Contract and shall submit an inventory control report which must include, at a minimum, the following:

- a. Description of the equipment;
- b. Manufacturer's serial number or other identification number, when applicable;
- c. Consecutive inventory equipment tag identification;
- d. Acquisition date, cost, and check number;
- e. Fund source, State grant number, or other applicable fund source identification;
- f. Percentage of state funds applied to the purchase;
- g. Location within the Grantee's operations where the equipment is used;
- h. Condition of the property or disposition date if Grantee no longer has possession;
- i. Depreciation method, if applicable; and
- j. Monthly depreciation amount, if applicable.

The Grantee shall tag equipment with an identification number which is cross referenced to the equipment item on the inventory control report. The Grantee shall inventory equipment annually. The Grantee must compare the results of the inventory with the inventory control report and investigate any differences. The Grantee must then adjust the inventory control report to reflect the results of the physical inventory and subsequent investigation.

The Grantee shall submit its inventory control report of all equipment purchased with funding through this grant within thirty (30) days of the Grant Contract end date and in form and substance acceptable to the State. This inventory control report shall contain, at a minimum, the requirements specified above for inventory control. The Grantee shall notify the State, in writing, of any equipment loss describing reason(s) for the loss. Should the equipment be destroyed, lost, or

stolen, the Grantee shall be responsible to the State for the *pro rata* amount of the residual value at the time of loss based upon the State's original contribution to the purchase price.

Upon termination of the Grant Contract, where a further contractual relationship is not entered into, or at another time during the term of the Grant Contract, the Grantee shall request written approval from the State for any proposed disposition of equipment purchased with Grant funds. All equipment shall be disposed of in such a manner as parties may agree from among alternatives approved by Tennessee Department of General Services as appropriate and in accordance with any applicable federal laws or regulations.

- E.6. Confidentiality of Records. Strict standards of confidentiality of records shall be maintained in accordance with the law. All material and information, regardless of form, medium or method of communication, provided to the Grantee by the State or acquired by the Grantee on behalf of the State shall be regarded as confidential information in accordance with the provisions of State law and ethical standards and shall not be disclosed, and all necessary steps shall be taken by the Grantee to safeguard the confidentiality of such material or information in conformance with State law and ethical standards.

The Grantee will be deemed to have satisfied its obligations under this section by exercising the same level of care to preserve the confidentiality of the State's information as the Grantee exercises to protect its own confidential information so long as such standard of care does not violate the applicable provisions of the first paragraph of this section.

The Grantee's obligations under this section do not apply to information in the public domain; entering the public domain but not from a breach by the Grantee of this Grant Contract; previously possessed by the Grantee without written obligations to the State to protect it; acquired by the Grantee without written restrictions against disclosure from a third party which, to the Grantee's knowledge, is free to disclose the information; independently developed by the Grantee without the use of the State's information; or, disclosed by the State to others without restrictions against disclosure.

It is expressly understood and agreed the obligations set forth in this section shall survive the termination of this Grant Contract.

**Domestic Violence Court Advocate
Shelby County Crime Victims Center**

I. PURPOSE

Problem/Needs Statement

Domestic violence is a crime that affects an estimated one in four households each year. Victims often have ongoing contact with their offenders and face the fear of repeat offenses and retaliation. Victims who seek the help from the justice system are often intimidated by court processes and procedures and may not be aware of the services and options available to them.

Shelby County, which includes the city of Memphis, is the largest county in Tennessee. According to the 2000 Census, Shelby County has a population of 896,013. The Memphis Police Department responded to over 16,000 domestic violence calls in 2008. It is estimated that only one in four victims report their abuse to law enforcement (Alabama Coalition Against Domestic Violence.) This suggests that over 50,000 domestic violence assaults occur in Memphis each year. The Shelby County District Attorney General notes in his 2007 report that the Domestic Violence Prosecution Unit, the largest special unit in his office, handled 4,074 cases that year.

It is also important to note that 21% of those who live in Memphis have incomes that place them below the poverty level. That figure does not include those who would be classified as "working poor." The socioeconomic level of domestic violence victims contributes to the large number of victims applying for orders of protection but who are unable to hire an attorney to assist them, thus increasing the need for victim advocate services.

Prior to the development of the First Step to Safety (FSTS) project, a component of the Shelby County Crime Victims Center (CVC), victims without attorneys had no support when attempting to gain protection and services from the justice system. When applying for orders of protection, victims obtained a form from the civil court clerk and received no assistance in negotiating the system. Victims who applied for misdemeanor domestic violence warrants accessed services through the Citizens Dispute office of Shelby County Pretrial Services. No safety planning or victim advocacy was available and victims were often confused and frustrated by the lack consistent information and the complexity of the court process. No follow up services were made available to victims. It was feared that victims were "falling through the safety net" of services available to them because they were not aware that such services existed.

At the time that the FSTS project was initiated, there was a designated domestic violence court in Shelby County that handled misdemeanor domestic violence cases and preliminary hearings for felony cases. This court was funded initially by grants from the Violence Against Women Office (VAWO) and included monies to support advocates to work with victims with cases pending in that court. Over recent years, funding for that court diminished as did available funds to maintain an adequate number of advocates. After the VAWO grant ran out, the advocates funded by the project were funded for a time by a Local Law Enforcement Block Grant. Due to a lack of local funding to pick up their salaries, those advocate positions were eliminated. The dedicated domestic violence court was disbanded several years ago. However a new domestic violence court has recently been established in an effort to provide more consistent and comprehensive services.

Currently advocates funded through the First Step to Safety grant have been assigned to the new court to provide on site assistance with safety planning, court information and support and referrals to appropriate supports including other counselors at the CVC. The advocates will have access to office space at the Criminal Justice Center to be available to victims who were in need of assistance whether services are initially requested by victims or by prosecutors. The advocates are available to provide services to victims who are seeking protective orders and who have cases in which they were a victim pending in one of the criminal courts. The person hired with the Domestic Violence Court Advocate grant funds will function interchangeably with those hired by the FSTS grant.

Shelby County is also in the process of launching a Family Safety Center where victims will be able to access many justice system and social service needs. FSTS and this additional domestic violence court advocate may also work with domestic violence victims in that setting as well as at the CVC office or with a support group at the Exchange Club Family Center.

GOALS

The Domestic Violence Court Advocate grant was developed to meet the specific needs of domestic violence victims in criminal court and in the order of protection hearing room. Victims in each of these settings need a voice in the disposition of the cases they bring before the court, information regarding their case, assistance developing safety plans and referral for appropriate social service agencies for needed assistance.

The goals of the First Step to Safety/Domestic Violence Court Advocate project are:

- Victims will have access to an advocate located in the Criminal Justice Center, the Domestic Violence Court and/or the Family Safety Center five days a week to offer court support, crisis counseling and advocacy.
- Victims in need of social services, longer-term victim services or services for child witnesses of abuse will receive direct, appropriate referrals to programs with a history of providing meaningful services to victims.
- Victims will have access to information regarding court proceedings and procedures either in person or by telephone.
- Victims will develop safety plans for the future. The complexity of the plans will be based on victim need.
- Victims will have the opportunity to attend an educational/support group facilitated by this advocate and other counselors.

Victims accessing the court system may receive services through court advocates or may be assigned to other initiatives offered by the CVC or other victim service agencies. Based on past data, it is estimated that at least 165 domestic violence victims will receive Domestic Violence Court Advocate services each year. Priority will be given to cases that suggest the victim is at substantial risk of further injury. Efforts will be made to reach out to victims who are identified by criminal justice system personnel or self identified as less able to negotiate the criminal justice and social service systems due to issues such as severe injury, a current pregnancy, mental or emotional impairment or age related issues.

II. INPUTS

Domestic Violence Court Advocate project is a collaborative effort. The advocates work closely with the CVC staff at Citizens Dispute, part of the agency directed to screen the applications of victims for protective orders and misdemeanor domestic violence arrest warrants. They also work closely with staff from the YWCA Abused Women's Services regarding interagency referrals for specific follow up services such as sheltering and services for immigrant women. The advocates work with the Exchange Club Family Center to provide a weekly educational/support group for victims of domestic violence. This group has been provided for the past ten years.

The Domestic Violence Court advocate will work with the Memphis Police Department Domestic Violence Unit to obtain referrals and information needed for hearings and court dates and will collaborate with the District Attorney General's office on cases involving violations of protective orders and assault arrests. As Shelby County employees, the First Step to Safety Advocates have computer access to the criminal justice system database which contains information regarding pending cases and protective orders.

Most of the funds requested by this project will be used to fund salaries and benefits for the advocates. (See attached Budget Summary and Budget Detail Worksheet.) Funds will also be set aside to pay for emergency assistance to help victims of domestic abuse with concrete social services including rent and utility assistance and or monies to repair or install broken doors and locks. The CVC will continue to provide support to the project by supervising trained student interns. All of the advocates working with domestic violence projects receive supervision from a licensed clinical social worker.

The advocate to be hired by this project will have education and/or experience that makes her/him uniquely qualified to work with victims of domestic abuse. The Shelby County Department of Human Resources will classify this position as a Victim Advocate B, a classification that requires a degree in counseling, social work or closely related field or a combination of equivalent education and experience. This advocate will provide crisis counseling, assistance with safety planning, court accompaniment, personal advocacy and information and referral to victims of domestic violence.

The CVC brings a fourteen year history of working with crime victims to this project. CVC staff members are respected within the criminal justice system, and have become an integral part of the victim service community. Several members of the CVC staff are involved with the Shelby County Domestic Violence Council and have served as officers of that body. The CVC provides internship opportunities for area universities. After an extensive training period, student interns may provide direct services to victims under the supervision of CVC staff.

III. ACTIVITIES

The activities of the Domestic Violence Court Advocate project are designed to meet the needs of victims applying for Orders of Protection and/or warrants for domestic violence assaults or who have criminal cases pending. FSTS/DVCA staff will:

- Offer personal and justice system advocacy to victims applying for orders and/or warrants or who have a criminal case pending in which they were the victim of domestic violence.
Case notes and type of service provided will be entered into the CVC database which is able to compile aggregate data.
- Provide court accompaniment during ex-parte hearings, at the hearings for permanent protective orders and in the criminal courts to increase victim involvement in the court process.
Case notes and type of service provided will be entered into the CVC database which is able to compile aggregate data.
- Assist victims by conducting a brief assessment of their needs and those of their children and making referrals to appropriate providers to support victims in returning to their pre-trauma level of functioning.
Case notes and type of service provided will be entered into the CVC database which is able to compile aggregate data.
- Assist victims in developing a safety plan based on their individual needs to decrease the likelihood of re-victimization.
Case notes and type of service provided will be entered into the CVC database which is able to compile aggregate data.
- Attempt follow-up contact with victims when indicated in an attempt to ensure victim safety by providing ongoing support.
Case notes and type of service provided will be entered into the CVC database which is able to compile aggregate data.
- Facilitate educational support groups for victims of domestic abuse to allow participants to benefit from the experiences of other victims as well as information presented by the group leaders.
Case notes and type of service provided will be entered into the CVC database which is able to compile aggregate data.

The continuing success of the Domestic Violence Court Advocate project depends on maintaining the excellent teamwork within the court setting and beyond. Advocates work closely with other CVC agency staff to provide a wide range of more in depth victim services including assistance with locating concrete social services for victims. Court advocates are in daily contact with staff from the YWCA Abused Women's Services and CAAP who also provide court advocacy services. The advocates interface with clerks, bailiffs and judges.

In addition, the FSTS advocates will continue to work with the Memphis Police Department to obtain evidence for victims including police reports and photographs of injuries. They will also assist representatives from the District Attorney General's Office Domestic Violence Prosecution Unit when they are prosecuting violations of Orders of Protection or readying a case for prosecution.

Another collaborator is Memphis Area Legal Services (MALS.) MALS coordinates a project that assists abused women with civil legal matters. The advocates refer victims to MALS for legal assistance in the case of some contested Orders of Protection, divorces and child custody issues. MALS and the CVC closely coordinate services with the permission of the victims in an effort to meet the full range of victim needs.

IV. OBJECTIVES

A. Intended Outputs

Victims will receive a wide range of services including:

Sexual Assault	0	
Domestic Violence	175	
Stalking	5	
Hotline calls	20	
Crisis Intervention/Counseling	40	
Counseling/Support Group	5	
Victim/Witness Notification	40	
Criminal Justice Advocacy/Court Accompaniment	50	
Civil Legal Advocacy/Court Accompaniment	75	
Victim Survivor/Advocacy	45	

The goals of the Domestic Violence Court Advocate project will be met through the provision of direct services to victims of domestic violence. Staff employed to implement the project will use the CVC's ACCESS database to maintain an accurate accounting of the services provided. While it is impossible to predict the exact number of services to be rendered, the projections in this application are based on current levels of service delivery and the number of advocates available to provide the services.

The advocates will provide services in their office at the Criminal Justice Center, their offices at the CVC, at the Exchange Club Family Center, at a safe location of the victim's choice or by telephone. All case notes will be documented in each victim's confidential file with aggregate data gathered via the database. Case notes will reflect the services provided that are counted in the Annual Report as well as those that are not. Services not listed in the report, but critical in assisting victims include assessing victim needs, developing safety plans and follow up calls when appropriate to encourage victims in their pursuit of safety.

B. INTENDED OUTCOMES

In addition to reporting the number of services provided, it is important to know that the services rendered have helped victims. Simply counting the number of interventions provides a quantitative measure of the effort expended by staff to assist victims but does not reflect whether or not those interventions helped to stabilize the lives of victims. Domestic Violence Court Advocate staff will be careful not to put the victim in danger by contacting them in a manner that would allow their offenders to know that they are receiving services. Victims are contacted in person with message left only if there is no possibility of the abuser intercepting the message.

The DVCA staff will be committed to ascertaining the degree to which program services have been effective. The information is generally obtained during a routine contact with the victim, either in person or by telephone and only when the victim is able to focus on evaluating service delivery. DVCA staff want to be sure that they have provided the services the program was developed to provide- court and personal advocacy, referrals to meet social service needs, safety planning and crisis counseling.

In order to make sure that their interventions have been meaningful to victims, the CVC has developed a victim satisfaction survey in compliance with recommendations from the Office of Criminal Justice Programs. The survey has a five point response scale- strongly agree, agree, disagree, strongly disagree, and neutral. In the past, this survey has often been administered in two sections with the initial portion containing those questions that the victim can evaluate earlier in the recovery process. Most often the surveys are administered during contacts that are initiated either by the victim or DVCA staff.

It is believed that these outcomes will remain constant through out the three-year funding cycle of this grant. Should victim surveys or other feedback suggest the need to address additional outcomes, they will be added subsequent to the approval of the Office for Criminal Justice Programs.

V. DATA COLLECTION PROCEDURES

Quantitative data will be obtained from existing sources. The CVC contracted with the University of Memphis to develop an ACCESS database to create victim files and compile composite data by counselor, program and for the agency. The database fields were developed based on the information required to complete reports for the Office of Criminal Justice Programs. The database can be queried to attain information for discrete time periods to track service delivery. Each advocate is responsible for inputting their own data into the system.

The DVCA staff will:

- Continue to create a virtual case file for each victim served. The file will include identifying and demographic information as well as documentation of all services provided. Files are confidential and, when printed, are stored in locked facilities.
- Track the demographics and number of victims served and the services rendered using the Crime Victims Center database. These can be cross-referenced with case files.

Some of the victims who receive services have only brief contact with the DVCA staff and may only receive information via telephone and/or mail. Others are not available for follow-up due to a change of address or telephone number. FSTS staff will attempt to administer the client satisfaction survey to as many victims as possible. DVCA staff will remain constantly aware of safety risks to victims and will not leave any messages that can be intercepted by the offender. Staff will survey each victim only once per fiscal year.

Quantitative and qualitative measures will be monitored through out the grant period so that service delivery can be modified to better meet the needs of the victims served by the DVCA program. If new needs are identified, appropriate interventions will be developed and approved by the Office for Criminal Justice Programs.

15. The Domestic Violence Court Advocate project will provide services to victims of domestic violence in Shelby County.

Instructions for Certification

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certificate, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549.
5. The prospective lower tier participation agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause title "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may check the Non-procurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntary excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
